From Melbourne, four masterful musicians create a haunting, lyrical sound that leaves their audiences spellbound.

"Melbourne just keeps turning out great musicians and there are four of them on Between Two Moments"

Andrew Ford/ABC Radio National The Music Show

Peter Knight's impressive ensemble will touch audiences of jazz and chamber music alike with their warm alluring sounds.

"Quietly forceful, much of this album's strength lies in the use of space and the honeyed tone of Knight's flugel horn" *The Age/Leon Gettler13/02 [on New Market Music]*

The Peter Knight Quartet tour is made possible by the Commonwealth Government's national performing arts touring program, Playing Australia, which gives all Australians, wherever they live, better access to some of the country's best performing arts.
